

life without limit™

duet™

*The perfect convertible for first time parents!*

## compact side-by-side

the most compact, fully featured side-by-side in the market, duet is the perfect convertible for first time parents as it easily changes from a single to a double!

- the same wheel width as a single buggy 63cm / 25"
- easily convert duet into a single with the additional accessory joey clip-on tote bag, that is perfect for one child and heaps of storage
- 10" air filled tyres
- individual sun canopies with flick out mesh sun visors
- individual seats that have full recline (newborn) to upright

### outstanding kerb pop

cleverly engineered with perfect weight distribution, allowing you to easily 'pop' the front wheel up kerbs and obstacles

### duet essentials

 product weight  
15.5kg / 34lbs

 width  
63cm / 24.5"

 safety certified for the following markets:  
Europe, USA, Aus/NZ, Canada
